Addis Remote Work and Teleworking Policy 2026

Section 1: Eligibility and Approval

Employees must complete a minimum of 3 months of continuous full-time service to be eligible for teleworking arrangements. All remote work requests require prior written authorization from the department director and HR compliance officer.

Section 2: Equipment and Information Security

The company shall provision a high-security laptop featuring full-disk AES-256 encryption. Employees are strictly prohibited from storing customer data or proprietary codebase repositories on personal devices. Connecting through the corporate Virtual Private Network (VPN) with multi-factor authentication is mandatory at all times.

Section 3: Working Hours and Overtime

Core working hours for remote staff are 9:00 AM to 4:00 PM East Africa Time (EAT), Monday through Friday. Any overtime work requires at least 24 hours prior written approval from the direct supervisor. Overtime hours may not exceed a maximum of 10 hours per calendar week.

Section 4: Allowances and Equipment Stipends

Remote employees are entitled to a monthly internet connectivity stipend of 1,500 ETB, payable with regular payroll. Additionally, eligible full-time staff may claim a one-time ergonomic home workstation setup allowance of up to 10,000 ETB upon submission of valid fiscal receipts.

Section 5: Confidentiality and Data Protection

Confidential company records and customer personal data must never be downloaded or printed locally. All non-disclosure and intellectual property protection covenants remain legally binding and survive employment termination for a duration of 3 years.
